How do I get started?

What is the ViaSat iSupplier Portal?

❖ It is a secure web based tool for ViaSat's Registered Suppliers.

- Provides 24/7 access to integrated information all in one place
- Real-time electronic information sharing tool
- Some of the available Views:
 - Purchase Orders
 - Purchase Order History
 - Open Delivery Schedules
 - On-time Delivery Dates
 - Overdue Receipts
 - Receipt History
 - Returns & Debit Memos
 - Invoices Posted
 - Payment status

- Transactions available to Registered Suppliers
(depends on level of participation)

Bronze

- Acknowledge Purchase Orders
- Change Promised Dates for Delivery

Silver

- Enter Advanced Shipment Notices (ASN)
- View late receipts

Gold

- Evaluated Receipt Settlement (ERS)
 - » Automatic self-invoice (speeds procure to pay cycle)

❖ Approved ViaSat Suppliers need to Register

- Contact your ViaSat Supply Chain Agent (SCA) for Registration information
- The SCA will submit the required data to the Administrator
 - Login and secure Password will be e-mailed to approved applicants
 - Below is the URL to the Login page
 - » https://ebs.viasat.com/oa_servlets/AppsLogin
